

# YEAR 4 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

23rd February 2018

## Our Learning Journey

We were very lucky on Tuesday to have an author called Kerry Gibb visit Ongar. She spoke to us for half an hour, inspiring us to read and write by telling us about how she became an author.

We have been working with fractions in maths, adding and subtracting fractions with the same denominator and solving word problems that involve fractions. We have realised that knowing our times tables makes this so much easier.

We have enjoyed a story from another culture this week in English, about a boy called Toki and his 'Ride of Passage'. We have focussed on the use of paragraphs, pronouns and possessive apostrophes in our writing.

We have been thinking about 'New Life' in RE and how different religions celebrate this in different ways. We all agreed though, that all mums and dads think that their babies are the best!

## Focus on Learning

Next week in English we shall be learning to manipulate clauses within sentences and to correctly punctuate speech.

We shall celebrate World Book Day next Thursday. Children are allowed to come to school in their pyjamas. We shall spend the day taking part in various 'book themed' activities.

Jemma for trying hard to use pronouns and possessive apostrophes.  
Well done!
