Our Learning Journey

Maple class has had an interesting, exciting and informative week. We shared activities and experiences with the many visitors who came into school this week.

Focus on Learning

Next week we shall continue to read Harry Potter, focusing on character description using adjectives and adverbs.

In maths we shall be working on number bonds, place value and rounding numbers up and down.

On Friday we shall be immersing ourselves in a new language as we celebrate European Day of Languages.

Star Learners

All of Maple class! For participating in our Well Being Week with such enthusiasm and interest. Well done!
