

# YEAR 4 WEEKLY LEARNING

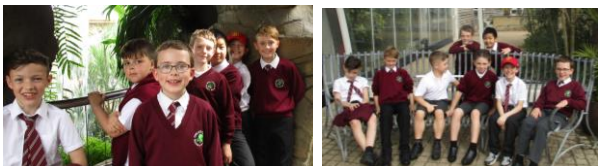

Ongar Place Primary School, Addlestone, Surrey 01932 842785

26th April 2019

## Our Learning Journey

We started the summer term at Wisley Gardens for our trip on Tuesday. We were blessed with good weather and spent the day exploring the different areas outside and in the glasshouse. We used data loggers and compasses to measure air and soil temperatures and record wind direction.

## For your information

Next week during Times tables Rockstars we will be focussing on x3,4,5,6. Please encourage your child to practise, as a good knowledge of times tables gives children confidence in other areas of their maths learning.

We start swimming next Wednesday, please remember swimming kit.

## Star Learners

All of Year 4 for excellent behaviour during our trip to Wisley.  
Well done.

## Information for Families

Enjoy the weekend.

Mrs Meade and Mrs Cheney
