

# YEAR 4 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

17th November 2017

## Our Learning Journey

On Monday some of our class went with Mr Good and Mrs Tuttle to the Surrey Sports Park to take part in a 'Dare to Believe' sports morning. Mr Good has been encouraging us all to 'have a go' at new things and the children did just that!

We have been using our times tables to help us with formal methods of recording multiplication of 3 digit numbers by 1 digit numbers.

We have been 'retelling' stories in English. We wrote a story from another character's perspective. Then we orally retold the story, which is also a skill the Anglo-Saxons had to learn.

## Learning focus

Next week we shall be focussing on finding the area of rectilinear shapes in maths.

In English we shall be planning and writing our own myths.

Of course the children are all very excited about our class assembly **Tuesday 28<sup>th</sup> November 9.15 am.**

**Star Learners**

Jessica Telling, for working so hard in maths, understanding and recording short multiplication.

Well done!

## Information for Families

We look forward to seeing you on Tuesday for our class assembly.

Have a lovely weekend

Mr Good and Mrs Meade
