

YEAR 4 WEEKLY LEARNING

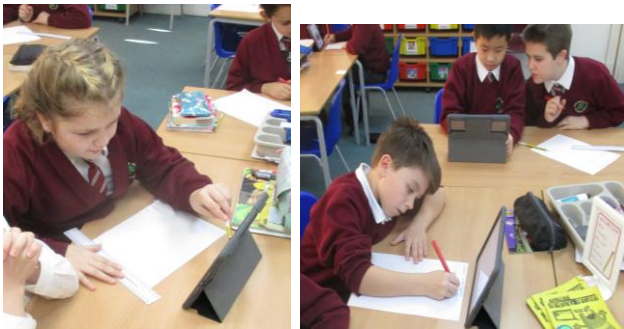

Ongar Place Primary School, Addlestone, Surrey 01932 842785

25th January 2019

Our Learning Journey

We are enjoying our class novel 'The Butterfly Lion' by Michael Morpurgo. We found that part of the story is set in South Africa near Timbavati. We used iPads to conduct some research into the area to give us a better understanding of the setting.

Primary Robins is one of our favourite times of the week. The warm up exercises are such fun and we enjoy singing songs that we know and learning new ones.

Focus on Learning

Next week the focus in Times Tables Rockstars is 3, 4, and 5 times tables.

In English we are going to investigate 'what makes a good opening to a story?'

In maths we shall continue our learning about fractions - knowing our times tables really helps.

Star Learners

Max, for working really hard converting mixed numbers and improper fractions. Well done.

Information for Families

Enjoy the weekend.
