

YEAR 4 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

25th November 2016

Our Learning Journey

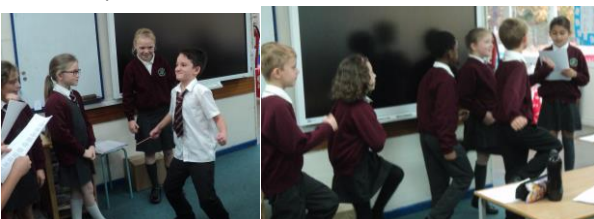

We are always very busy learning in Maple class and this week was no exception! We made Saxon brooches.

Investigated pitch in science, finding out what made high and low sounds. We made our own pan pipes to show that we know how to alter pitch.

We performed our Anglo Saxon poem 'Beowulf'.

Focus on Learning

Our focus in maths at the beginning of next week will be division. Then we shall start to find the area of rectangles.

We shall start to plan and write our own myths in English.

Star Learners

Rosie for her observational skills during RE, spotting something in a picture that no one else had noticed.
Well done!

Information for Families

Thank you for listening to your children read at home and the comments in their reading record books, it really helps them to make progress.

Have a lovely weekend.

Mrs Harris and Mrs Meade
