

YEAR 4 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

28th June 2019

Our Learning Journey

It was lovely to see so many family members supporting our class assembly on Thursday. The children did really well and hopefully the school learned something new about electricity.

For your information

Next week we shall focus on x11 and x12 in our Rock Stars times tables sessions.

We are all very excited because next Monday, Tuesday and Wednesday mornings we will meet our new teacher and visit our new classroom.

Star Learners

All of Maple class, for their assembly on Thursday.
Well done.

Information for Families

Enjoy the weekend.

Mrs Meade and Mrs Cheney
