

# YEAR 4 WEEKLY LEARNING

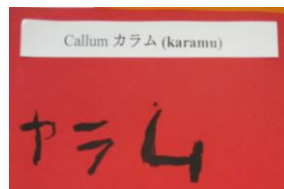

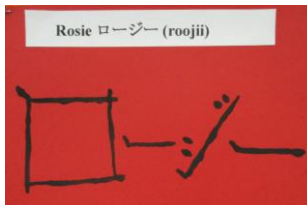

Ongar Place Primary School, Addlestone, Surrey O1932 842785

29th September 2017

## Our Learning Journey

Our day of language celebration was enjoyed by all on Monday when we learned about the language and culture of Japan. We painted our names in Japanese and found speaking Japanese was quite difficult.

Although we hadn't all tried sushi before, we enjoyed making and trying it, some more than others!

Japan celebrates 'Children's Day' every year in May and the children make koinobori.

## Focus on Learning

Next week we start our very exciting Healthy Living Sports weeks. All children may wear PE kit or a plain T-shirt with jogging bottoms and sweatshirt and their trainers (no football kit).

We are looking forward to trying some new activities.

## Star Learners

Thomas for working really hard in maths, rounding numbers.

Well done!

## Information for Families

We are going to be really active next week, please remind your children to bring their water bottles to school.

Have a lovely weekend  
Mr Good and Mrs Meade
