

Music

Play and perform in solo and ensemble contexts using their voices with increasing accuracy, fluency, control and expression.
Use and understand musical notation

Children will work with a professional opera singer and follow the Primary Robins programme. They will learn and perform a range of traditional songs.

Art

Learn about great artists in history
Develop techniques; drawing, painting and sculpture

Explore and produce creative work

The children will be exploring the work of Rousseau and creating their own collages to represent nature.

DT

Plan, design, make and evaluate products
Use tools, equipment and materials safely

The children will build on their skills as they work on a textiles project

History

Compare and contrast trends over time

Children will find out how and why land use has changed over time in our local area.

PE

Swim competently and confidently over a distance of at least 25m

Use a range of strokes effectively

Perform safe self-rescue in a range of different water based situations

Through swimming lessons the children will develop a good swimming style and understand the importance of water safety.

Master basic movements of running, jumping, throwing and catching

Children will learn athletics skills and work on improving their own performances each week.

RE

Is Christian worship the same all around the world?

The children will investigate how Christians around the world worship.

What do Sikhs value?

The children will learn about Sikh customs, practices and beliefs

Year 4

Geography

Describe and understand key aspects of physical and human geography

Use maps, atlases, globes including Ordnance Survey maps

8 Point compass and coordinates

The children will identify, describe and explain how land use has changed over time in the local area.

We will use maths skills to link with map work and to compare and contrast climate graphs.

Computing

Learn how to use the internet safely

Design, write and debug programs that accomplish specific goals

Understand computer networks including the internet; and the opportunities they offer for communication

The children will use a variety of software to create an EBook

The children will develop their coding skills and look at the importance of planning

They will continue to learn about E-safety

Languages

Recall and pronounce a range of words accurately

Appreciate and respond to songs, stories, poems and rhymes in French

Use a variety of nouns and adjectives

Children will continue to develop their French vocabulary and learn how to build sentences. They will use songs and rhymes to support this learning.
