

# YEAR 5 LEARNING NEWS

Ongar Place  
Primary School

Spring 5th April 2019

## Some pictures

## This Week...

In English this week we have been reading poems. We have revised expanded noun phrases and explored how they can be used in observational poetry to create strong, vivid imagery. We have also looked at using commas to show parenthesis

At last, we have come to the end of fractions. This week we have been learning to multiply mixed numbers by whole numbers

In PE we held an inter-house football competition where points were awarded for the result but also for demonstrating the school values. Painshill just beat Brookwood to the top spot

On Thursday, we finally got to taste and evaluate our vegetable pasties. They were fantastic and the smells were amazing.

Today, after learning a lot about vlogging, we planned, filmed and edited our own vlogs. We all had a brilliant time and were pleased with our results.

## Ambassadors of the Week

**Camran, Daniel and Oliver**—who represented the school at Pupil Parliament at the Council Offices in Addlestone. They presented in a debate — 'Is technology healthy?' - and came in a fantastic second place. Well Done!

## Information for Parents

Happy Easter.
