

# YEAR 5 LEARNING NEWS

Ongar Place  
Primary School

Summer — 5th July 2019

## Some pictures

### Trying to solve a maths problem

## This Week....

This week has been very busy.

On Monday, Tuesday and Wednesday mornings we spent time with our new teacher for next year—Miss Watts. We all had lots of questions and are looking forward to being at the top of the school. High Ashurst will be fantastic!

In RE we have continued our learning about the 'Pillars of Islam'. This week we learned about Zakah. This is the pillar of giving. Muslims give 2.5% of their wealth to charity every year.

In Maths we have been calculating missing angles and using a protractor to measure angles.

We have also spent a lot of time putting the finishing touches to 'Rock Bottom'. We've tried to iron out the creases, know our cues and practise singing and dancing at the same time. On Friday we had our dress rehearsal.

## Ambassadors of the Week

**Dexter** — who has been fantastic in dance and acting rehearsals.

**Jess T** — who worked confidently when calculating missing angles

## Information for Parents

Saturday—Summer Fair

District Sports—Monday

Sports Day—Tuesday

Technical Rehearsal at Addlestone Community Centre (8:25 arrive at school)

St Georges Sports—Thursday
