

YEAR 5 LEARNING NEWS

Ongar Place
Primary School

Spring 8th March 2019

Some pictures

This Week...

In English this week we have spent time focusing on the features of a play-script. We have converted a prose version of Romeo and Juliet into a play-script. We then changed the play into more modern language and performed our plays.

In maths we have continued to learn about fractions. We have focused on simplifying fractions and then finding equivalent fractions.

We have covered quite a lot in Computing this week. We have been exploring vlogging. We have used an app to present our findings about vlogging, found out about how vloggers earn money and about some of the problems that vloggers may have.

In gym we have continued to develop our use of shape and travel by refining movements with greater control using apparatus .

On Friday, we celebrated world book day by enjoying the world of Shakespeare.

Next Week

We will be learning

English — Macbeth

Maths — Comparing fractions and adding fractions

DT — Healthy diet and food labelling

Ambassadors of the Week

Roxy - for her resilience when learning about fractions.

Tilly—for her enjoyment and contributions to Shakespeare discussions

Information for Parents

Next Friday—there will be a joke competition for Red Nose day. Get thinking!

Red Nose Mufti—£1 contribution

Also bring some small change to hear jokes told by the school council.
