This Week....

In English we have started a new unit on myths and legends. We have focused on Robin Hood. We have read and compared different versions of the story. We discovered that while some aspects may be different the theme is the same.

In Art this week we painted our Egyptian mummy sculptures.

In Maths we have started to learn about geometry. Focusing on angles we have learned about different types and used a protractor to measure them.

On Wednesday we had a great visit to Fullbrook School. First, we had a quick tour followed by a PE lesson. Afterwards we split into two groups. Half of us had a Humanities lesson when we considered some ethics while the other half had a Technology session that focused on creativity - making a bookmark.

In History, with Mrs Downs, we learned about the Middle Ages. We researched the dates of key events to build a timeline and used the Bayeux Tapestry as a source to sequence the events of the Norman Invasion.

Ambassadors of the Week

Nathan— measured and calculated angles confidently

Sophie—showed great control when painting her sculpture

Information for Families

Next Thursday is our class photograph
