Autumn - 8th December

Some Sayers Croft Pictures

This Week....

After our adventures last week we have returned to Christmas. We are rehearsing for the Carol Concert. Within English lessons we have been reading environmental stories and identifying ways that the author tries to engage the reader. We have also started to think about persuasion. In Maths we have been focusing on multiplication and learning different written methods to multiply with big numbers. In Science we have learned about the movements of the Earth, Sun and Moon—reasons for night and day and the seasons. In geography we have been investigating mountains in the UK. We drew a relief map and compared the climate in the Cambrian mountains to our own.

Ambassadors of the Week

All the 'crofters' -
we had a brilliant time! All the adults were very proud of each and everyone.

Information for Families

Carol Concert—Tuesday 12th
Panto—Wednesday 13th
Christmas Dinner —Thursday 14th
School Ends—Friday 15th 1:30pm

HAPPY CHRISTMAS!
