Autumn - 9th December

Some Sayers Croft Pictures

This Week....

After our adventures last week we have returned to Christmas. We are rehearsing for the Carol Concert. Within English lessons we have been refining our use of language to help plan and write a recount of our time at Sayers Croft. In Maths we have been focusing on division and written methods. In Science we have written a factfile about Gallileo and learned about the movements of the Earth, Sun and Moon. During RE, we have explored the idea of the Holy Ghost and painted our ideas.

Ambassadors of the Week

All the 'crofters' -

we had a brilliant week! All the adults were very proud of each and everyone.

Information for Families
