

YEAR 5 LEARNING NEWS

Ongar Place Primary School

Addlestone, Surrey
01932 842785
Spring 12th January

This Week...

In English this week we have focused on learning techniques to persuade. We have produced posters to promote Sayers Croft making use of techniques like slogans, colour, alliteration, exaggeration and rhetorical questions. In grammar we revisited the use of connectives to help cohesion in writing and learned about using different modal verbs to create the desired effect. We then used these skills to write a persuasive letter to Mrs Good and finally prepared for a debate on Monday when we will present persuasive arguments.

Statistics has been our focus in Maths. We have learned to read, interpret and draw line graphs. We have solved problems by reading timetables too.

In Science we learned about the phases of the moon. We drew diagrams and made models which helped us explain why the moon appears to change shape. Next week we will start our new topic about living things.

We are coming near to the end of our sewing. A few of us need to attach our panel and then we can use the sewing machine to sew the bag and add the cord.

Ambassadors of the Week

Toby, Gracie, Nitya and Frankie —

they have all finished their drawstring bags.

Information for Families

Please check the Curriculum Letter for information about learning for this term.
