

YEAR 5 LEARNING NEWS

Ongar Place
Primary School

Summer — 12th July 2019

Some pictures

This Week...

WOW! I thought last week was busy.

Monday - District Sports- Some of us went to Walton and had great fun representing the school at an athletics meeting. While back at school the rest of us learned about Hajj the last 'Pillar of Islam' and used protractors to draw angles'

Tuesday—Sport Day— In the morning we all competed in the first Sports Day with our new teams. We demonstrated lots of values and really tried to perform our best. In the afternoon we had our last dance lesson before the show.

Wednesday—Technical Rehearsal—We walked to Addlestone Community Centre and made ourselves familiar with the stage, props, scenery, microphones and lighting. In the afternoon we finished our history project—learning about the Battle of Britain.

Thursday— More Sports— Some of us went to represent the school at St George's College to experience new sports and showcase our own skills. While back at school

Friday— We began our final DT project which will roll into next week. We are designing an air raid shelter.

AND THE SHOW!!!!

Ambassadors

I would like to mention that everyone in this class is capable of being an ambassador. You all have skills and attitudes and qualities that make you shine. I hope you will all aim high and keep shining next year. Best Wishes.

Information for Parents
End of Term 1:30 Friday
