Autumn 15th September

Some recent pictures...

This Week...

In English we have continued to read Coraline. We are focusing on the thoughts and feelings of Coraline. We have been writing a diary entry for Coraline and tried to show her conflicted thoughts. Later, we will be looking into playscripts.

In Maths we have revised place value in larger numbers and decimals. We have practised multiplying and dividing by 10 and 100 - using place value to help. We have talked about how to solve problems in a logical way, using a method. We have also practised some times tables.

In Geography, with Mrs Brown, we investigated National Parks in the UK. We considered the reasons why we have parks, where they are, who uses them as well as lots of other questions. We started to prepare a powerpoint about our nearest National Park - the South Downs. Next week we will start our new RE topic about 'The Golden Rule'.

Ambassadors of the Week

Erin — has had an excellent week in Maths.

Gracie — has shown excellent motivation

Information for Families

Clubs start next week.
22nd September 3:30pm — Sayers Croft
Parents Information Meeting.
