Spring 16th March

Some recent pictures

This Week...

In English we have been thinking about writing poetry. We have looked at the structure and features of a poem and tried to replicate it by focusing on rhyme and rhythm.

In Maths we have come to the end of our unit on fractions. We finished with multiplying mixed numbers by whole numbers. We have moved on to decimal fractions and comparing and ordering numbers.

In DT we have not only been cooking but we have researched pasties—answering key questions. We have documented the skills that we have practised and learned about food labels and investigated if pasties are a 'healthy food'. Finally, we tasted our pasties and evaluated.

Ambassadors of the Week

Lucy — for taking a skill from school and using it at home—making books.

Gray — for making great progress in his maths learning.

Information for Families

Skipping Event—21/3/18
