

# YEAR 5 LEARNING NEWS

## Ongar Place Primary School

Addlestone, Surrey  
01932 842785

Autumn 16th September

### Some recent pictures...

### This Week...

In English we have started to read *Coraline* by Neil Gaiman focusing on the character of Coraline. We have made deductions from the text supporting our ideas with evidence.

In Maths we have revised place value in larger numbers as well as decimals. We have read, written and compared numbers. We have talked about how to solve problems in a logical way, using a method. We have also practised some times tables.

After the success of the Olympians, in P.E we have learned some basic hockey skills and focused on controlling the ball, without getting back ache.

As scientists we have tested different materials to establish some of their properties. We have tried to be fair when testing and clear in our recording.

We have also started to consider e-safety. We have learned about the types of information that is private and who and when we can safely share.

### Ambassadors of the Week

**Jack**—he has focused hard this week to improve his listening and complete his learning.

**Faye P**—she contributed really well to discussion in guided reading.

### Information for Families

Next week is 'Well being' week.

Clubs start next week.

28th September 3:30pm — Sayers Croft  
Parents Information Meeting.

Thank you for signing planners.
