

# YEAR 5 LEARNING NEWS

## Ongar Place Primary School

Addlestone, Surrey  
01932 842785  
28th April 2017

'May the  
force be  
with you.'

### This Week...

In English this week we have focused upon aspects of language that improve stories. We have reviewed relative clauses, spent time on adverbials as well as adjectives. We have looked into how an author creates mood and tension in mystery stories by drawing a 'tension graph'.

Early in the week we focused on conversion graphs. We constructed them, read them and interpreted them. We have also practised reading lots of different graphs. Later in the week we focused on calculating time differences, using the 24 hour clock and reading timetables.

In P.E, this week, we have started to focus on athletic skills. We are learning about baton changing during a shuttle relay, standing jumps and importantly thinking about what our body is doing so we can control it.

In History we have started our new topic. We researched the dates of important events during the Medieval period in British history. We then designed a timeline to show these events.!

### Ambassadors of the Week

**Bruno** — for his knowledgeable and thoughtful comments in history

**Matteo** — for beginning to tell the time

### Information for Families

No school on 1st and 4th May
