## Ongar Place Primary School

Addlestone, Surrey  
01932 842785

Autumn 30th September

### Some re- cent pic- tures...

### This Week...

Back to a more 'normal' week.

In English, we have returned to Coraline and spent most of our time turning a narrative text into a playscript. We have focused on the features of playscripts and changing verbs from the past tense to present tense.

In Maths we have continued to concentrate upon place value with larger numbers and decimal numbers. We have been rounding numbers to multiples of 10, 100, 1000, 10,000 and 100,000 as well as rounding decimals to tenths and hundredths.

In Music we started to play the drums. Very exciting! And we also started our 'tag' rugby sessions with Mr Edgley.

Friday was our day of European Languages. We focused upon French. We designed menus, painted in the style of Seurat and built the Eiffel Tower. All while some of us practised for the Tour de France.

### Ambassadors of the Week

**Ellis** — for concentrating hard to create a playscript with correct features.

**Amy** — for participating fully in 'tag' rugby.

### Information for Families

Next week

—Monday—Bikeability for some.

If you missed the Sayers Croft Meeting I will send you the Powerpoint Handout and Consent forms next week. If you do have any queries please come and ask.

Thank you for signing planners.
