This Week...

In English this week we have focused on adding interest and detail to our writing by adding adjectives and adverbial phrases. We have planned and written a short story. During guided reading we have been reviewing our test papers from last week.

During Maths we have been learning about line graphs. We have discussed how to read a graph, answered questions about information presented in a line graph and constructed graphs. We have learned the difference between discrete and continuous data.

In P.E, this week, we played a short 'round robin' competition of 'tag' rugby. We reviewed all the skills that we have practised this year. This was our last rugby session until next year so we would like to thank Mr Edgley for teaching us.

On Monday, Archie, Ollie and Matteo all attended a Sportability Festival which was about trying different sports. They had great fun trying out cycling, judo and golf.

In RE we learned about the meaning behind the different symbols of Easter. The best one was Hot Cross buns. YUMMY!

Ambassadors of the Week

Kieson — for showing a good understanding of adverbials.

Becky — for thoughtful comments about the naturalist she studied.

Information for Families

Happy Easter. Return on April 18th
