### This Week...

In English this week we have briefly started a new unit of learning. We have learned about 'poetry slams' - a poetry performance competition. We have listened to and watched performances trying to analyse some features and techniques used in 'good' performances. Our favourite has been Michael Rosen's Chocolate Cake.

During Maths we have reviewed division and our knowledge of factors and multiples. We have also started to consolidate and extend learning about fractions.

In PE, on the frosty, muddy field, we continued to develop our skills in Rugby. This week we focused on passing. Looking, communicating and moving the ball along a line. Later this term there is a tournament.

At the end of the week we have been sewing. We have tried to create a drawstring bag that is decorated with either a French or British theme. This took a lot of concentration and resilience.

**A new friend has joined our class.  
Welcome Kimi Gunner.**

### Ambassadors of the Week

**Phoebe and Gemma**— for showing fantastic concentration and patience when sewing.

### Information for Families

**Please check the Curriculum Letter for information about learning for this term. Deadline for Drawing Competition is now 13th January. Our theme is transport.**
