

## Learning Highlights...

This week the children have been busy writing newspaper reports about Kissin' Kate Barlow from our story 'Holes'. We have looked at the key features of newspaper articles and considered how different people will write with a different bias.

In maths we have been focussing on fractions. We have been adding and subtracting fractions and using our tables knowledge to make equivalent fractions. We have used dice to create our own fractions to add and subtract.

We are continuing to learn how to code in computing and this week have been writing code to convert units of measurement.

Issue No 10 Autumn Term  
18/11/16  
01932 842785

## Learning Highlights

In French we have been learning the names of animals from around the world. We tried to label them on a map of the world.

## Star of the Week.

This week Star of the Week goes to Claudia. She has worked really hard this week especially in maths. Well done Claudia.

## Information for Parents
