

Learning Highlights

Another week of practice SATs and yet again the whole class have impressed with their calm approach and keenness to do better. Well done year 6.

We have continued to read 'Wonder' and spent time trying to empathise with different characters from the story. The children made freeze frames and discussed what each character was thinking and why they might feel like that.

The class also split into 2 groups to debate

whether they thought that Auggie's parents were good parents or not. There were some very strong arguments from both sides of the debate with children challenging comments from the other team.

Learning focus

In French the children have been learning the names for different clothes and have been trying to describe outfits to each other.

We have been considering 'fairness' in RE. The children played the 'Unfair Factory' game where they were trying to work in a sweat shop making hats and bags for very little money. They had to make decisions about whether or not to buy food, medicines etc. The discussions about what they think is fair changed dramatically after playing the game.

Star of the week.

This week our star is Molly. She has worked so hard at practice SATs and make great progress. Well done Molly.
