

# YEAR 6 LEARNING NEWS

## Learning Highlights

This week in year 6 we have welcomed Mr Hutton-Attenborough. He is a student teacher from Brighton University and will be spending time supporting and teaching in year 6 over the next few months. He has already got to know all the children and is looking forward to working with us all.

In art we have started to turn our designs into a piece of textiles work. The children have been transferring their designs onto fabric and planning how to add textures and patterns with a range of materials. We hope to create a display of all the finished work in the hall after Christmas.

Well done to Abi and Jesse from year 5 who have spent the last few days with us in year 6, working on a project for Mr Knott.

Star of the week this week goes to Gemma. She has a quiet conscientious attitude to all her learning and is always doing her very best. Well done Gemma.
