

## Learning Highlights

Another week of practice SATs papers! Yet again the children have surpassed themselves with their attitudes and efforts during these tests. They know some of their results and I will discuss these further with you at parent's evening.

A huge well done to the children that represented the school at Dodgeball last week. Mr Knott was very proud of their behaviour and performance. The team came 3rd over all.

On Thursday a group of children from year 5 and 6 took part in an indoor athletics meet. There was some very strong competition but the children were a great team and represented the school well.

Please remember to sign up for Parent's Evening.
