

YEAR 6 LEARNING NEWS

Learning Highlights

PLEASE DO NOT FORGET YOUR BIKES AND CYCLE HELMETS ON MONDAY!

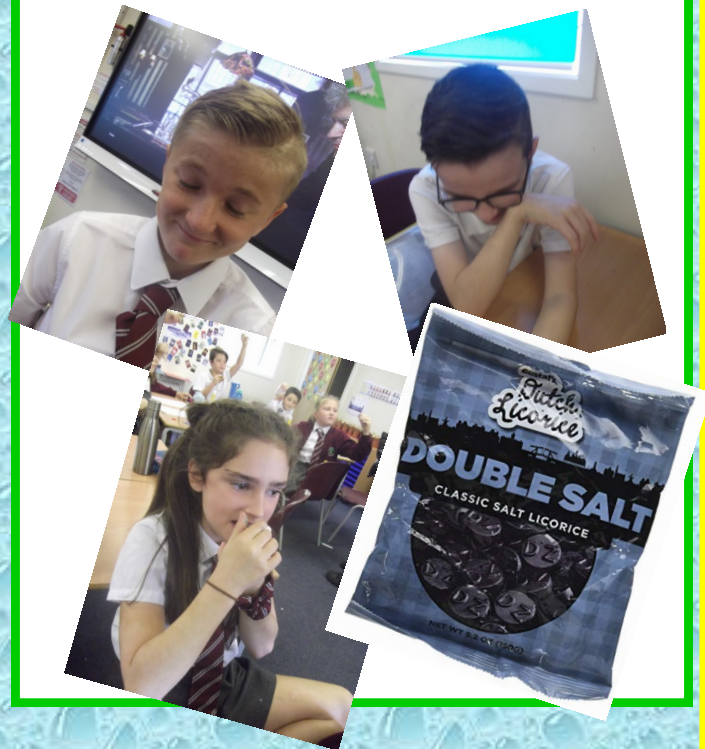

On Friday we celebrated European Day of Languages. In year 6 we looked at Dutch language and culture. The children all had a great day planting tulips, painting Delft style plates, creating artwork in the style of Mondrian and eating Stroopwaffles—the liquorice did not go down quite so well but thank you Toby's mum for sending in.

Learning focus

Star of the week goes to Toby. He has worked really hard in all areas of the curriculum but showed real enthusiasm for our Day of Languages. Well done Toby.

Information for Parents
