

YEAR 6 LEARNING NEWS

Learning Highlights

Wow—week 1 of our sport and healthy living fortnight has been great fun. The children have enjoyed wearing their PE kits everyday and taking part in a range of activities to promote healthy living.

On Monday they did Aqua Aerobics—"It was fun!" said Stella. "It was really tiring!" said Luis. We also learnt to play netball.

Tuesday we has Sports Music with Mrs Meyer. We learnt rhythm patterns and actions to accompany songs. "It was a fun way to combine music and sport together." said Louisa.

On Wednesday great fun was had trying to play football with blindfolds and a ball with a bell!

Learning Highlights

Thursday saw the class taking part in a dance workshop. The boys were a little worried that they might have to wear tutus and do ballet but instead they were learning to spin on their heads!

Star of the Week this week goes to Archie. He has tackled every new sport with enthusiasm and is always happy to give things a go.

Well done Archie.
