

# YEAR 6 LEARNING NEWS

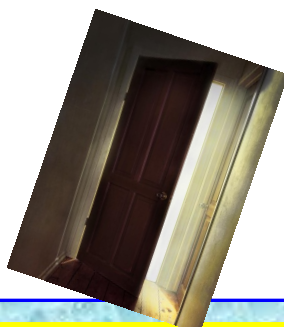

## Learning Highlights

As we started our final half term at Primary School the children had a shock when they took part in a trial SATs test. The tests are carried out all over the country to trial papers for next year. The lady that came to school to administer the test was really impressed with the classes engagement and maturity in tackling the test. Well done year 6.

We are continuing our celebrations of 50 Years on Ongar and every member of the school is creating a leaf to be part of a large tapestry tree. The year 6s have been remarkable and not only done their own leaves but have been helping the younger children too.

In literacy the children have started a project called 'Dragon's Island'. They have written a description of the magician's house and the different rooms inside it, including the final door that is ajar with a strange light spilling out of it!

## Learning focus

Rehearsals have started! Please help your child to learn their lines as soon as possible.

Next week I will send home details of costumes.

Star of the week.  
This week our star is Ollie. He has shown that he is not just great at all things sporty but can also sew!  
Well done Ollie.

### Information for Parents

Dates for the diary

- 13th June—Class Photos
- 17th June—Careers Week
- 2nd/3rd July—Induction Days
- 6th July—Summer Fair
- 9th July Sports Day
- 11th/12th July—Production
- 18th July—Leavers' Assembly and Trip
- 19th July—End of the Year 1.30pm
