

YEAR 6 LEARNING NEWS

Learning Highlights

This week year 6 have worked really hard on some practice SATs papers. Yet again they have all worked conscientiously and been very focussed. The results are showing a big improvement from their September papers. Really well done everyone.

The school is beginning to feel very Christmassy—the tree is up, we have watched the KS1 Nativity and are busy practising for the Carol Service next week. It would be wonderful to see as many year 6s as possible at their last Carol Service at Ongar.

We have now finished reading Alice in Wonderland and the children have begun to write their own nonsense stories. We have looked at the use of homophones and puns and how these can be used to add confusion and humour to a story.

Learning focus

In maths we have been looking at division. Everyone has mastered short division but we are still working on long division. Any extra practice at home would be great.

Star of the week goes to Erin. Her quiet, conscientious attitude to all school life is a pleasure to see. She has worked really hard on her SATs papers and still managed to smile! Well done Erin.
