

YEAR 6 LEARNING NEWS

Learning Highlights

The weather is looking good for next week when we head off to High Ashurst! The children have had the opportunity to suggest who they would like to share a room with, the staff have started gathering things to take and everyone is getting really excited. Please remember a packed lunch on Wednesday.

In English we have continued to study 'Wonder' and the children have been considering how the feelings of other characters

in the book are described. They have had great fun role-playing different scenes to show empathy with characters.

In science the children were investigating how we see colour. They had great fun writing secret messages and using coloured filters to read them.

Issue No 5 Spring Term
8/2/19
01932 842785
