

## Learning Highlights

This week's PE lesson was slightly different to normal! As we were unable to use the hall and the weather was miserable we decided to keep fit in the classroom. Great fun was had by everyone as we tried out some Zumba! It was hard work but great fun despite some children's lack of coordination and rhythm!

In art we have been looking at Ancient Greek pottery. The children have spent time researching pottery and have made some pots of their own based on their research.

Issue No 8 Spring Term  
10/3/2017

## Learning Highlights

In literacy the children have been writing balanced arguments using a range of conjunctions. We have now moved onto mystery stories and are busy trying to solve the mystery of the Red-Haired League!

Our maths focus has been on interpreting and drawing different types of graphs. We have plotted time/distance graphs, conversion graphs and been interpreting pie charts.

The Spartans and Athenians have been our focus in history this week and we discovered the origins of the modern marathon.

## Star of the Week.

This week Star of the Week goes to— Freya S. She always works really hard and knows what she needs to do to continue to improve. Well done Freya.

## Wednesday 15th March is Interhouse Day

Children can bring a t shirt in their house colour to wear. They will change into their PE kit and coloured T shirt at school.

## Information for Parents

15th March—Interhouse Day  
31st March—End of term  
1st May—Bank Holiday  
4th May—Polling Day  
8th May—SATs Week
