

YEAR 6 LEARNING NEWS

Learning Highlights

This week the children have been put into groups of 5 or 6 and have been planning a lunch menu. They will be working together to plan, budget and cook a meal for themselves and an invited member of staff. There has been great fun, discussion and argument while the children have decided on their menus. The surprise on their faces when they were told they had to make everything from scratch and that chips are made from potatoes and you can make a cake without using a cake mix was quite shocking.

Trying to stick to their £20 per group budget has been a real challenge for some groups but the shopping lists are now written!

Do not forget our 'Fabulous at Fifty' Summer Fair on Saturday 6th July.

Issue No 6 Summer Term

Learning focus

Next week is our 'Aspirations Week'. During the week the children will have the opportunity to learn about a wide range of careers and be able to ask questions of people from a variety of industries. In class they will be thinking about their own skills and how these can help them into the world of work in the future.

Star of the week.

This week our star is Ben. He has quietly and conscientiously been working hard in all lessons and rehearsals. Well done Ben.

Information for Parents

Dates for the diary

- 13th June—Class Photos
- 17th June—Careers Week
- 2nd/3rd July—Induction Days
- 6th July—Summer Fair
- 9th July Sports Day
- 11th/12th July—Production
- 18th July—Leavers' Assembly and Trip
- 19th July—End of the Year 1.30pm
