

YEAR 6 LEARNING NEWS

Learning Highlights

WORLD BOOK DAY

Last Friday was great fun with all the children and staff dressed as characters from some of their favourite books.

Our new book corner is proving very popular with the children and they are keen to sit in it to read!

Mr Good worked the children really hard in PE this week doing circuit training!

Issue No 18 Spring Term

Learning focus

In history we are beginning to look at the story of the Trojan Horse and investigating whether we think it is historical fact, legend or classical myth. This is linking in with our literacy where we reading and writing Greek myths.

In maths we have been working on using algebra in formula and solving word problems. In preparation for SATs the children really need to work on learning all their times tables facts and I am sending home a quick revision sheet covering some key facts that they need to remember.

Star of the week.

This week our star is Olivia. She has worked really hard especially in maths where she is beginning to understand how to use algebra. Well done Olivia. Keep it up.

Information for Parents

Dates for the diary

5th April—End of Term
23rd April—Summer term starts
13th May—SATs Week
