

Learning Highlights

Along with rehearsals and our theme park work the children have been preparing for sports day. The house captains and sports leaders have been sorting their teams and as a class we have been practising for the different events. The children have also be trying out for the district sports team.

We have begun our work using the Smart Moves resources to support the children with their transition to secondary school.

If you want any further information about this work please contact me or visit the Eikon website (www.eikon.org.uk).

Danceathon

This afternoon the children have been dancing their socks off! Please remember to collect your sponsor money as soon as possible.

Issue No 8 Summer Term
15th June 2018
01932 842785

Olivia

Hopefully you have received a letter about costumes. As soon as you have a costume sorted please send it in, with a hanger, in a named bag. If you have any problems please let me know as soon as possible.

Star of the Week this week goes to Kieson. He has worked really well in his theme park group and led his group well. It is great to see him so enthusiastic. Well done Kieson.

Information for Parents
