

# YEAR 6 LEARNING NEWS

## Learning Highlights

The sun was shining for Interhouse day this year and everyone really enjoyed the different activities in the morning. The children took part in a wide range of activities including rugby, benchball, art, music, computing, bowls or a quiz.

Well done Ben for winning the award for showing the best leadership and sportsmanship throughout the day.

## Learning Highlights

In literacy we are busy planning and writing our own detective mystery stories. We have read the story of 'The Red Headed League' by Sir Arthur Conan Doyle and tried to solve the mystery. We have learnt about 'red herrings' and how they try to trick the reader. We are going to write our own stories and make a book of them.

In maths we have been revising coordinates in all 4 quadrants. The children have been translating shapes and reflecting them and predicting the new coordinates.

## Star of the Week.

This week Star of the Week goes to—Amber. She has worked really hard, especially in maths and supported others who were less sure. In her role as house captain she always shows good leadership and supports all the members of her house. Well done Amber.

A huge well done to everyone at Interhouse day, especially the house captains who worked so hard organising their teams and support KS1 and reception with their multiskills afternoon.

## Information for Parents

- 31st March—End of term
- 29th/30th March—Year 4 & 4 Production
- 1st May—Bank Holiday
- 4th May—Polling Day
- 8th May—SATs Week
