

YEAR 6 LEARNING NEWS

Learning Highlights...

A huge well done to all of year 6 for their wonderful assembly on Wednesday. Despite only really having one full rehearsal they were all amazing and looked like they knew what they were doing! Thank you to all the parents who came to watch.

Issue No 3 Spring Term

Learning Highlights

In literacy the children have been writing their own Greek style myths. The focus has been on finding different ways to start sentences rather than with a determiner.

Maths has been quite challenging this week. We have been learning how to do long multiplication which has been hampered for some because they do not know their times tables.

PLEASE HELP YOUR CHILDREN TO LEARN THEIR TABLES.

Star of the Week.

This week Star of the Week goes to Alani. Alani has shown perseverance in maths and kept on going until she could do long multiplication! Well done Alani.
