

YEAR 6 LEARNING NEWS

Learning Highlights

Well done to Jordan, Leighton and Gray who had a chess lesson from Candidate Master—Mark Josse. The boys did really well and learnt how to checkmate in just 4 moves.

During the week the children have been learning about different career opportunities and considering their futures. It has been really interesting to see what they think they will be doing in 5, 10 and 20 years.

On Wednesday and Thursday afternoons we held our first careers fair. Visitors from a wide range of careers came to school and the children had the chance to chat and ask questions. They were wonderful afternoons and the children were really engaged and asked interesting questions.
