

## Learning Highlights

This week has been really tough for the children—they have had their first experience of SATs papers. I was really impressed with their mature approach to the tests and they all tried really hard and even managed to smile! The results from these will be used to identify key areas for learning as well as giving us a baseline for future assessments.

A really busy week of elections has seen the year 6 children making speeches to their houses in the hope of being elected house captains, presentations to the class for school council elections and of course the official appointment of our new Head Boys and Girls.

The houses have been renamed after consultation with the whole school community and we now have Painshill, Wisley, Runnymede and Brooklands house.

Huge congratulations to:

Our new house captains:

Wisley—Leighton and Joe  
 Brooklands—Madison and Hattie  
 Painshill—Heidi and Lucy  
 Runnymede—Alfie and Matthew B

Next week will be our final round of voting where we will elect our new school councillors.

Really well done to everyone who applied for these positions.

Issue No 3 Autumn Term  
 21/09/18  
 01932 842785

## Learning focus

Head Boys and Girls

Ollie—Head Boy  
 Erin—Head Girl  
 Gray—Deputy Head Boy  
 Sophie—Deputy Head Girl

Well done to all of year 6 for their efforts with SATs practice. Star of the week goes to Fran. She worked so hard during the tests and tried her best. Well done Fran.

## Information for Parents
