

## Learning Highlights

Last Friday the class excitedly got on a Yellow Bus and headed to Thorpe Park to take part in the Junior Citizen programme. We were met at the gate by a police officer and led over the Dome where the children were split into groups. Each group was taken off to do different activities including road safety, electrical safety, water safety, first aid, calling 999, anti-social behaviour and of course stranger danger! Despite the warning at the beginning the majority of the children went off with the strangers!!!!!! It was a really good afternoon and the children all learnt some important life lessons.

For the next couple of Wednesday's year 6 will be taking part in Primary Robins. Ellie (an opera singer) will be working with the class teaching them some songs for the Carol Service.

Every day this week the children have been doing some handwriting practice. Each day they have written out the same poem, trying to make it look better each time. We have now found their best piece from the week and stuck this into the front of their English books. This is the standard of handwriting we will expect every time they write as we now know how well they can do it!

Issue No 12 Autumn Term  
23/11/18  
01932 842785

## Learning focus

This half term we are looking at the book of Alice in Wonderland by Lewis Carroll. The children have been analysing how the characters are portrayed and finding out all the bizarre events that are taking place. We have looked at Carroll's use of punctuation and synonyms to show how the characters are talking.

Star of the week goes to Heidi. She has tired so hard this week, especially in maths and been proud of her own achievements. Well done Heidi.

## Information for Parents

Dates for the diary

13th December—Carol Service  
13th December—Christmas Shopping  
14th December—Pantomime Trip  
18th December—Christmas Lunch  
19th December—End of Term 1.30pm

If you have any worries or questions
