

## Learning Highlights

Welcome back to the last term of primary school. We have a really busy term ahead with lots of fun activities as we prepare for secondary school.

### PRODUCTION

Our production this year will be 'Rock Bottom' by Craig Hawes. The children have been given a copy of the script each and we will be auditioning over the next couple of weeks.

### LOCAL HISTORY WEEK

The week after SATs the whole school will be focussing on local history. We will be going out and about following the town trail to discover some of the historical sites around Addlestone as well as finding out more about the development of our school and how things have changed in the last 50 years.

### CAREERS WEEK

In June we are planning a careers week where the children will have the opportunity to find out about a wide range of different careers and opportunities beyond the classroom. This should be a great week where we hope to raise aspirations.

### TRANSITION

As we approach the end of the year we will be focussing on transition. We will follow the Smart Moves Transition books from Eikon which cover many of the worries children have about moving onto secondary schools. All the children will also be spending time at their new schools.

## Learning focus

With now only 7 more school days until SATs week it is important that the children continue to practice and prepare for the tests. Here are some useful websites that could help.

BBC Bitesize KS2  
Spelling Frame  
Maths Frame  
Educationquizzes.com  
Topmarks.co.uk  
Times Tables Rock Stars

If you have any specific difficulties please ask so that we can help—do not leave it until the morning of the tests!!!

## DO NOT PANIC!

### Star of the week.

This week our star is Nathan. He has settled straight back into school and is making great effort in all areas of the curriculum, especially maths. Well done Nathan.

## Information for Parents

Dates for the diary

2nd May—Polling Day  
3rd May—INSET Day  
6th May—Bank Holiday  
13th May—SATs Week  
20th May—Local History Week  
23rd May—House Trips  
24th May—Tea Party  
27th May—Half Term  
13th June—Class Photos  
17th June—Careers Week  
11th/12th July—Production
