

# YEAR 6 LEARNING NEWS

## Learning Highlights...

This week in literacy we have been writing adverts for onions! After reading about Sam the onion seller in 'Holes' the children have worked in small groups to write and film adverts promoting the medicinal benefits of eating onions. It has been great fun and they have come up with some really catchy slogans, rhetorical questions and even some dances!

**"An onion a day keeps the doctor away!"**

Issue No 11 Autumn Term  
25/11/16  
01932 842785

## Learning Highlights

In Science and PHSE we have been learning about the harmful effects of drugs on our bodies. The children have researched different types of drugs including; alcohol, smoking, medicines and illegal drugs and creating posters warning others of the dangers.

## Star of the Week.

This week Star of the Week goes to Louis. He has worked really hard and coped well even when things have been difficult. Well done Louis.
