

YEAR 6 LEARNING NEWS

Learning Highlights

This week, in between rehearsals, the children have been working in small groups to plan and design a theme park. They have been given a budget of £5 million to build the park and will be moving onto think about marketing, advertising and running costs.

The school has been filled with delicious aromas coming from the kitchen as the children have been busy preparing their meals to share with a member of staff. It has been great fun and everyone who has eaten in the year 6 restaurant has been very impressed (and not taken ill!) A huge thank you to Mrs Tuttle for supervising the cooking.

The children have worked hard but really need to practise washing up!

Issue No 8 Summer Term

Production

Rehearsals are going well and everything is coming together. Please send costumes in as soon as possible. Do not forget to order your tickets!

School Council have asked us all to collect plastic bottle tops—any size, any colour. Please send them into school. Thank you.

Star of the week.

This week our star is Leighton. He has worked really hard on this theme park maths and was a star during his groups cooking session. Well done Leighton.

Information for Parents

Dates for the diary
