

YEAR 6 LEARNING NEWS

Learning Highlights...

A busy week again in year 6. We had our school council elections. Lots of children made convincing presentations to the class about why they felt they were

the right person for the job and the ballot was held on Wednesday morning. A huge well done to Nathan and Teddie who have been voted in as our Year 6 representatives.

We have started tag rugby in PE lessons. It is great fun and we are refining our passing and catching techniques. Hopefully we will be able to play matches against other schools.

Issue No 4 Autumn Term

Learning Highlights

In maths this week we have been focussing on place value and addition. We have investigated different strategies that we can use to add numbers mentally and using more formal methods.

In literacy we have continued reading Holes and focussed on writing informal letters. We have written thank you letters to some of the visitors who came in last week and hope to get replies from them!!

Next week we will be doing some practise SATs papers.

Star of the Week.

This week Star of the Week goes to Bella. She has worked really hard in lessons and efficiently organised school council voting. Well done Bella..

Information for Parents
