

YEAR 6 LEARNING NEWS

Learning Highlights

This week we have had another set of practice SATs. Yet again the children have tackled these tests with positive attitudes and are developing exam techniques to help them. Well done to everyone.

On Wednesday morning the class took part in the British Heart Foundation's Jump Rope for Heart fundraiser. They spent time practising their skipping skills and tricks before trying to skip for the longest time without stopping. Well done to Rachael for managing 4 minutes and 10 seconds.

Please remember to try and collect some sponsorship money to support this very worthwhile charity.

Here are some SATs revision websites that might be useful over the Easter Holiday. Please encourage the children to do a little bit everyday.

Star of the Week this week goes to Flynn. He has worked really hard and focussed well during our practice SATs this week. His results reflect this effort. Well done Flynn.
