

# Foundation Stage Weekly Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 5  
7<sup>th</sup> October 2016

## Beginning the Learning Journey!!

The weather has been beautiful this week and the children have been enjoying learning in our outside classroom.

The Chestnuts have been practising songs ready for our Harvest Assembly on the 14<sup>th</sup> October at 2.30.

### This week's learning focus:

- We have been playing 'Guess who?' with the baby photos you have sent in and have created an interactive display in the classroom.
- Read, Write, Inc began this week and the children have been practising writing letters in rice, on the floor and in the air!
- The class listened to the story 'Goldilocks and the Three Bears' and have been learning about size and position during PE and Maths.
- Chestnuts have been developing their fine motor control this week by threading beads, following writing patterns and cutting.

## Focus on Learning

*Don't forget to encourage your child to practise writing the Read, Write, Inc letters in their speed sounds set 1 book.*

*It's really important that the children complete the work (not parents!).*

## Special Star Learners

Emily – for being a kind and considerate learner!

Ella H – for consistently demonstrating how to care for our learning environment!

## Information for Families

### Harvest Festival

We are collecting non-perishable (in date!) items for the Salvation Army; any donations will be gratefully received. Send them into class and they will form part of a display in the reception area.

Many thanks,  
The Chestnut Team
